> AS YOU PLAN YOUR INITIAL VISIT TO VETERINARY SURGICAL SPECIALISTS:

- Please arrive 20 minutes prior to your appointment to complete the information sheet.
- If your pet needs x-rays or other tests, this may require admission to the hospital.
- You will be given a detailed written estimate for services prior to treatment.
- Some diagnostic tests and/or surgery require sedation or anesthesia. For that reason, please do not give your pet food or water past midnight the night before your visit.
